What is DHR project?

HANSSON, LEEGO
& PARTNER

When there is a will there is a way!

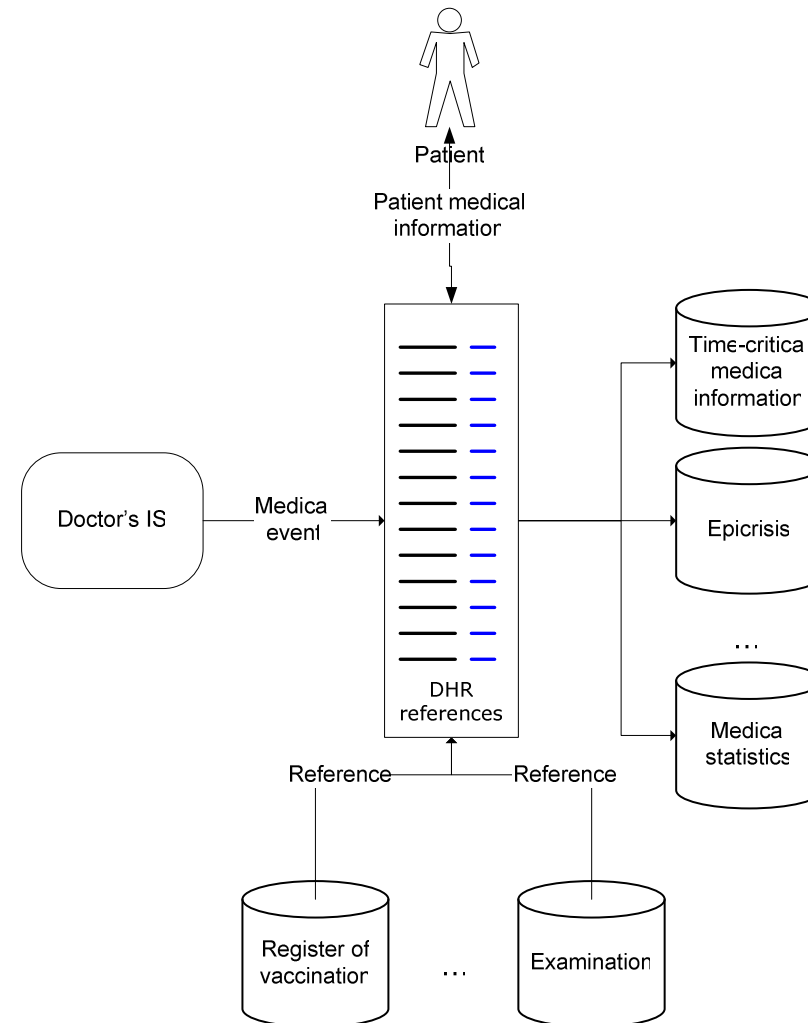

- National eHealth initiative since 2002
- Based on "Health information system development plan"
- Bounds together all Estonian eHealth initiatives
 - Reference register, communicator
 - Digital registration, Digital images, Digital prescription
- Public Procurement – summer 2005
 - Coordinator Ministry of Social Affairs
 - EU Structural Funds (28.3% of IT funds to eHealth projects, 2.2 MEUR)

Erkki Leego – CEO

Digital health record

When there is a will there is a way!

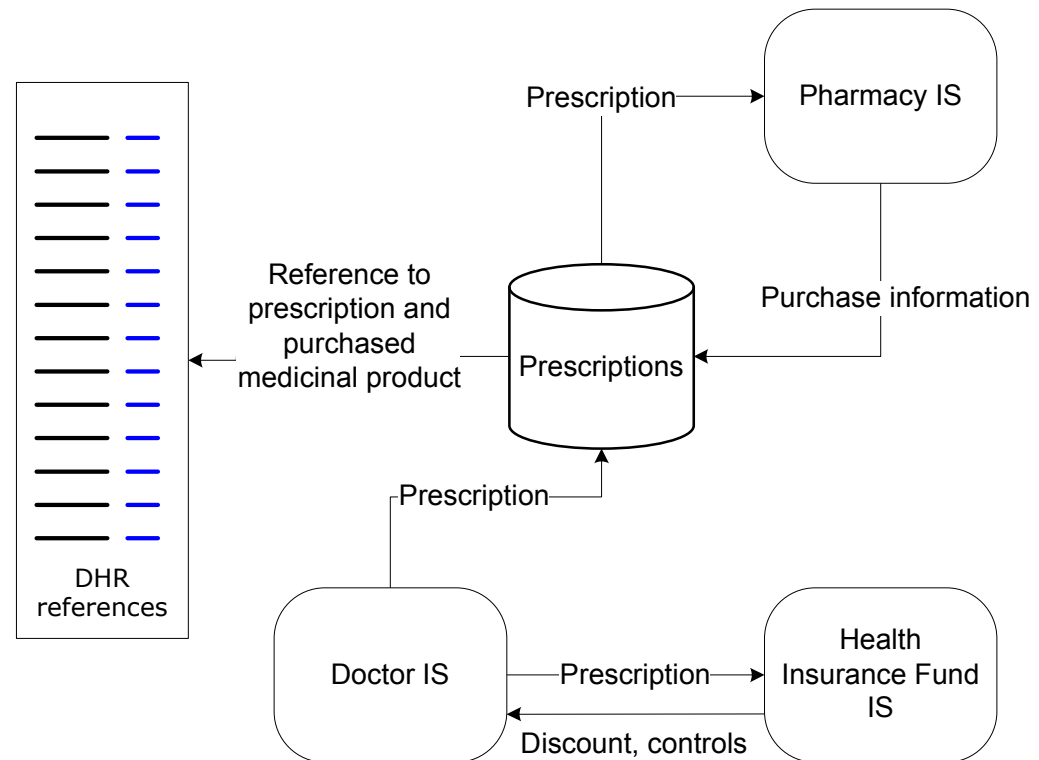

- Patient medical events with references to IS's
- Epicrisis database
- Time-critical medical information
- Information for medical statistics

Erkki Leego - CEO

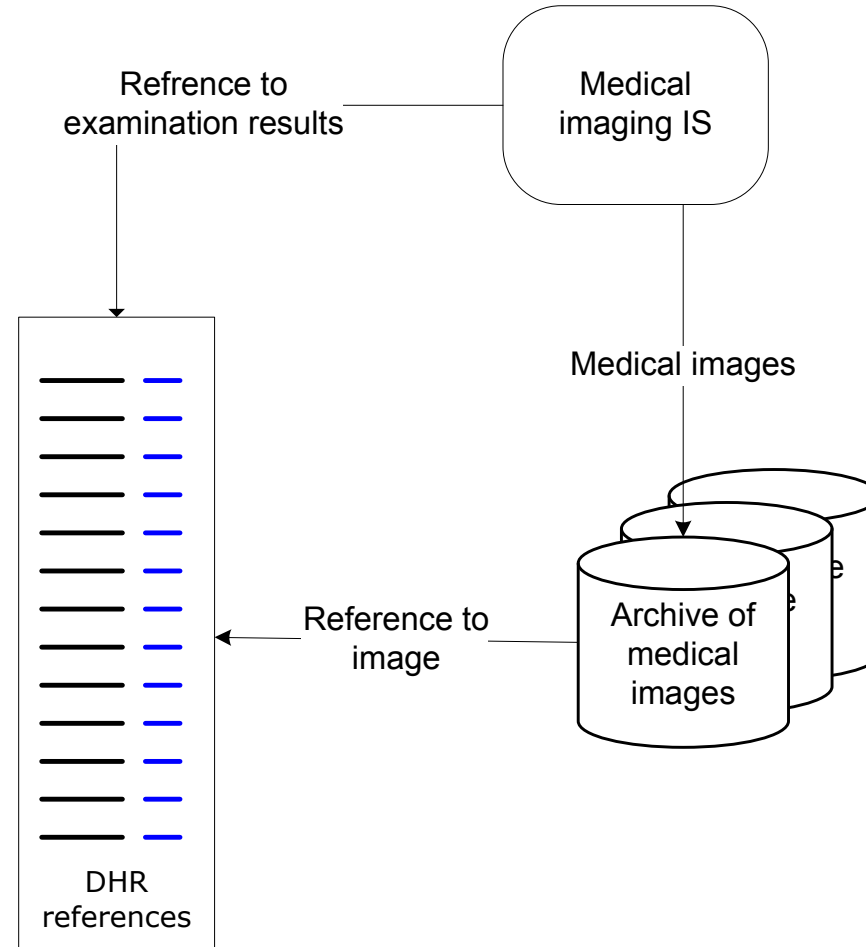

Digital prescription

- Replaces paper document
- Automated discount calculation
- Purchase and prescription information

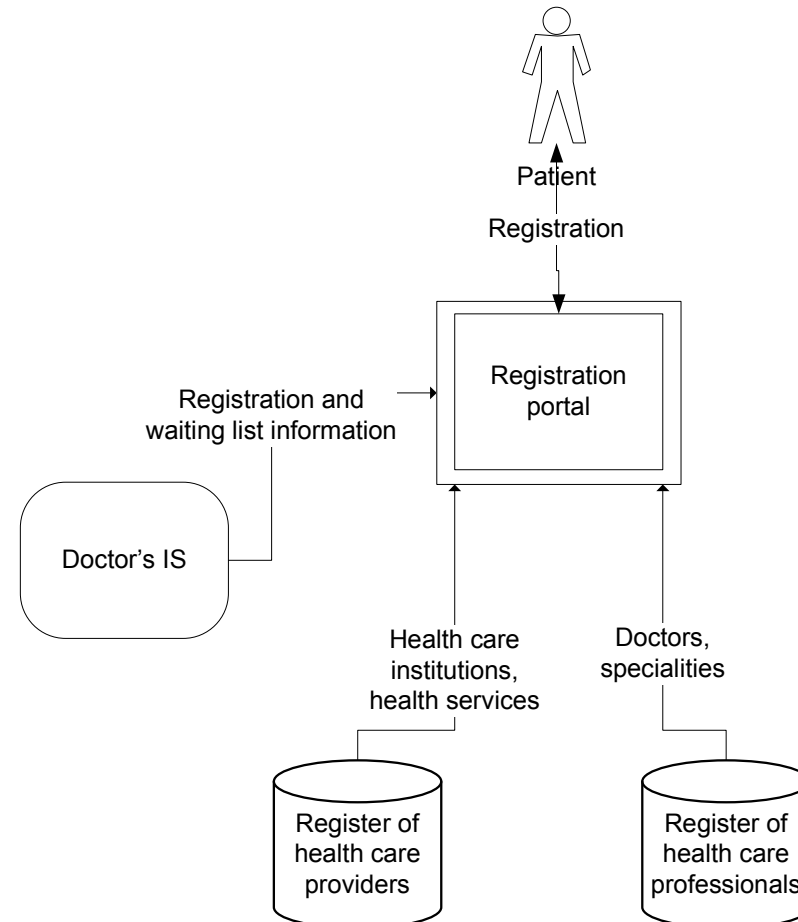

Digital images

- Digital medical images available for all healthcare providers

Digital registration

- Unified patient registration system
- Information about patient waiting list's

What I like about this project

HANSSON, LEEGO
& PARTNER

When there is a will there is a way!

- Register of medical events with references to actual systems
 - Standardization of health documents and communication environment
 - All healthcare parties are involved
 - Uses eState infrastructure (X-tee, ID-card)
-
- When there is a will there is a way!
